

Dear Parents/Guardians

The school council Miss Burgin, Miss K nor and Mrs Bradshaw have been looking at punctual across school, we have noticed that children are often arriving at school later than 9:00am.

Did you know if you are one minute late everyday for a year you miss over 3 hours of learning? We understand if your child is late due to unforeseen circumstances but we would encourage your child to arrive before 9:00am.

Children have told us that when they are late they feel worried about what they have missed. When they are late, they will miss morning work as well as receiving a late mark on the register. This means they can miss out on 100% attendance awards and the NEW class punctuality award.

We thank you in advance for your support in making sure our children are safe, healthy and happy.  
Kind regards, The School Council.
