12th September 2022

Dear Parents/Carer

NATIONAL FLU IMMUNISATION PROGRAMME 2022

The school age immunisation team (SAIS) will be coming into school on Wednesday 19th October during the afternoon to administer the nasal flu sprays to all children whose parents have given their permission for their child to have the vaccine.

More information about the national flu programme can be found here: [National flu immunisation programme 2022 to 2023 letter - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/news/national-flu-immunisation-programme-2022-to-2023-letter)

During these sessions they will be offering the nasal flu vaccine to all eligible children. If the nasal flu vaccine is contraindicated for a child, they will be contacted directly by a member of the SAIS team to offer an alternative.

Vaccines will not be given without the consent of parent or legal guardian.

SAIS have asked that we send the following link and school access code to parents/legal guardians of children in Reception to Year 6 for you to complete a **Flu consent form** as soon as possible.

www.barnsleysais.co.uk and School code: **BN106603**

NB. Parents/carers will be unable to proceed without the school code.

Many thanks.

Regards

Mrs J Hebden
School Administrator
