

Summer Holiday Activities

Hello mini-monsters,

Well it has definitely been a very unusual term for our last term in Year 1!

I have really really missed us all being together and it has been very strange to not see most of you each day at school. I have seen and heard that you have all been doing some great work and I am very proud of you all for working hard over the last few months.

I just want to say it has been lovely teaching you all this year and you have all done so well and become very clever mini-monsters.

If you fancy doing any more work over the summer holidays I have attached some activity booklets for you to have a go at if you feel like it. I have found you a maths, English and end of term activity book and these are all on our class page on the school website.

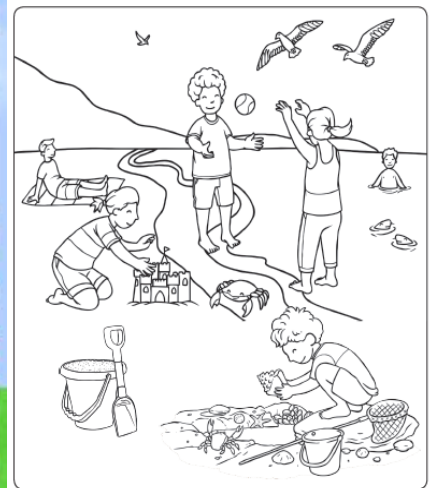

Year 1 Summer English Activity Booklet

Name: _____

End of Summer Term Activity Booklet

Name: _____

Thank you for being amazing mini-monsters this year and I hope you show Mrs Malpass and Mrs Jones just how clever you all are in your new Year 2 class. I hope you have a lovely summer holiday and that you have lots of fun!!

Please take care of yourself, remember your lovely manners and make sure that you are good for your adults.

Lots of love from Miss Smith
