

2nd March 2021

I can use my atlas skills to locate countries and
compare Time Zones.

What is a Time Zone?

Jet lag

Greenwich

**THE BRITISH
JANUARY GATE CLOCK**
The British January Gate Clock is a unique timepiece that marks the beginning of the year. It is a small, round clock with a white face and black hands. The clock is mounted on a brick wall and is surrounded by a metal frame. The clock is a gift from the British government to the United States.

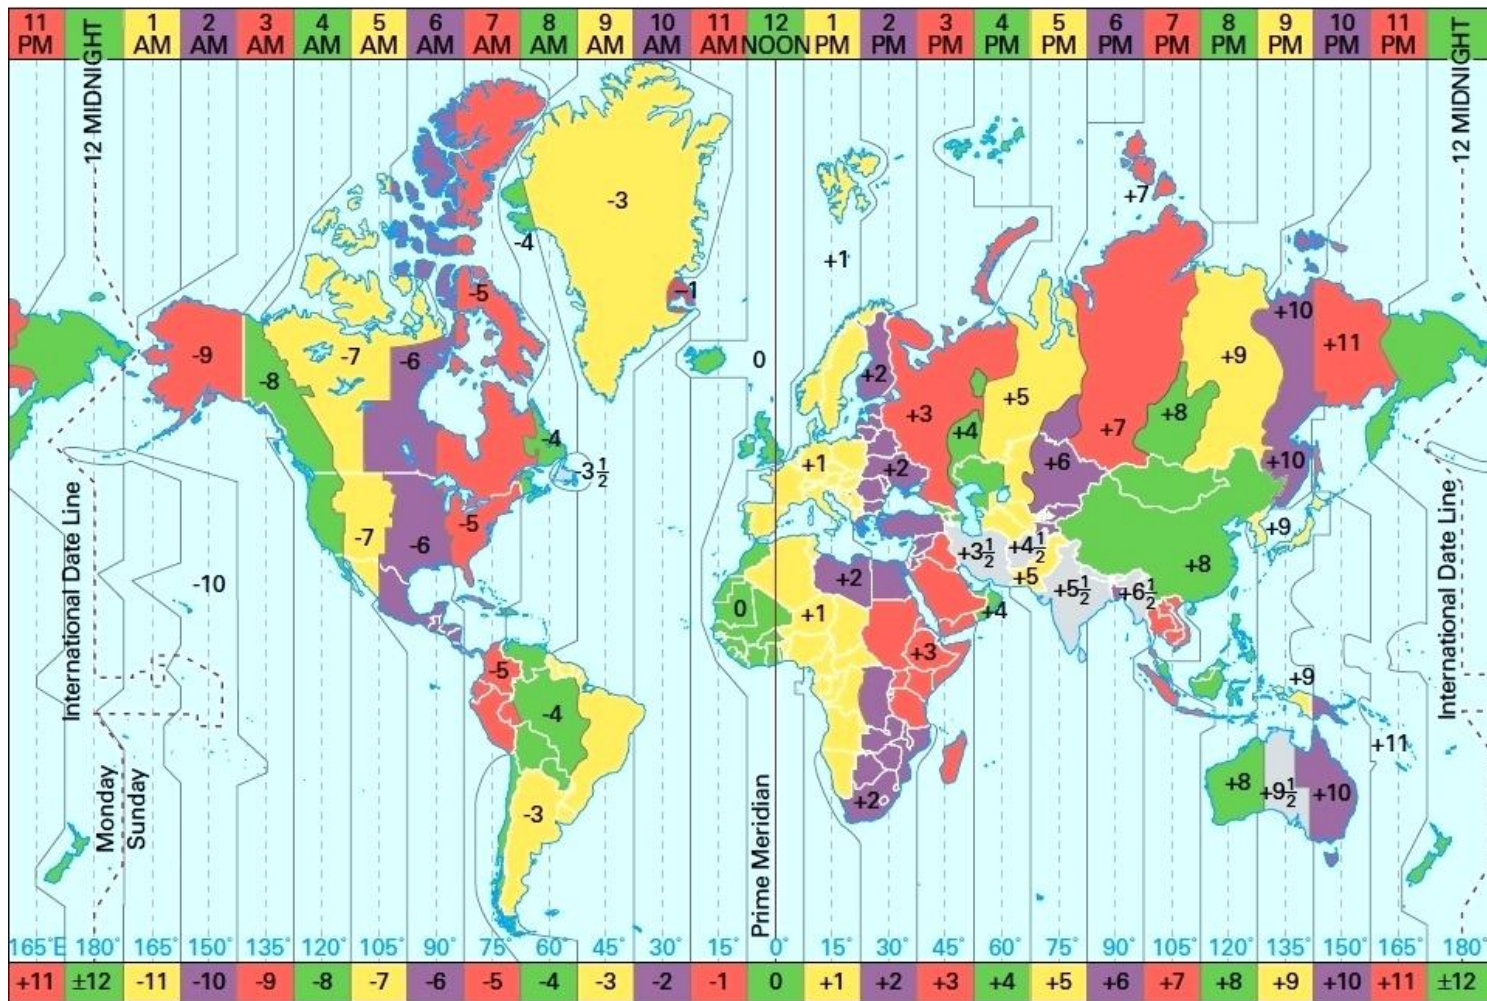

THE TIME BALL
The Time Ball is a large, black, spherical object that is used to mark the beginning of the day. It is a gift from the British government to the United States. The ball is mounted on a brick wall and is surrounded by a metal frame. The ball is a gift from the British government to the United States.

**BRITISH BARS
BENCH MARK**
The British Bars Bench Mark is a small, rectangular object that is used to mark the beginning of the day. It is a gift from the British government to the United States. The mark is mounted on a brick wall and is surrounded by a metal frame. The mark is a gift from the British government to the United States.

**PUBLIC STANDARD
OF LENGTH**
The Public Standard of Length is a small, rectangular object that is used to mark the beginning of the day. It is a gift from the British government to the United States. The standard is mounted on a brick wall and is surrounded by a metal frame. The standard is a gift from the British government to the United States.

- 1) Five countries with the same time zone as the UK.
- 2) Three countries that are 3 hours in front of the UK.
- 3) Three countries that are 5 hours behind the UK.
- 4) Three countries that are 2 hours in front of the UK.
- 5) If it was 10am in the UK, what time would it be in...
a) France b) Peru c) India d) Japan e) Brazil?
