

Easter Holiday Activities

Hello mini-monsters,

This week and next week are our Easter Holidays. I hope the Easter Bunny visits you and brings you a treat because I have already told him that you have worked really hard this year and how fabulous you all are.

Last week in school we would have learnt about the Easter Story. Please can you watch the video on YouTube which tells you why Christians celebrate Easter?

If you wanted to help the Easter Bunny, maybe you could help him design a new Easter egg. A template of a blank Easter egg is on our class page on the website for you to use. You could decorate the egg and then write some sentences to say what is inside the egg or what type of chocolate your egg is made from. I am sure the Easter Bunny would be very grateful of some new ideas and designs!!

On our class page on the website there is an Easter word search as

I am sure you are missing our weekly word searches!

I have also got you some Easter activities together for Numeracy and Literacy which are also on our class page on the school website.

There are also lots of Easter craft ideas on the Twinkl and Teacher's Pet websites if you fancy making some fun things. You would have made an Easter card for your family last week in class so maybe you could make an Easter card for them.

Please take care of yourself, don't eat too much chocolate and HAPPY EASTER!!
