

9th February 2021

I can create a non-chronological report
about Uganda and DRIP.

You have got two days to create a non-chronological report about Uganda and the DRIP charity.

Things to include:

Climate, poverty, schools, malaria etc

DRIP - how the charity helps, what people can do to help.

Text boxes, graphs, illustrations, diagrams etc.

In what ways can someone help?

Donate money

Volunteer to go to Uganda

Supply materials

Help fund raise

DRIP

Think about how you might fold your paper to make it look interesting. Think about subheadings, captions, fact boxes etc.

There will be points for effort, neatness and factual content.

<http://www.drip.org.uk/>

You might have a persuasive element.

E.g. you might encourage people to help DRIP or ask rhetorical questions e.g. can you stand by knowing innocent people are suffering?
