Notes on a treble stave

Dotted notes

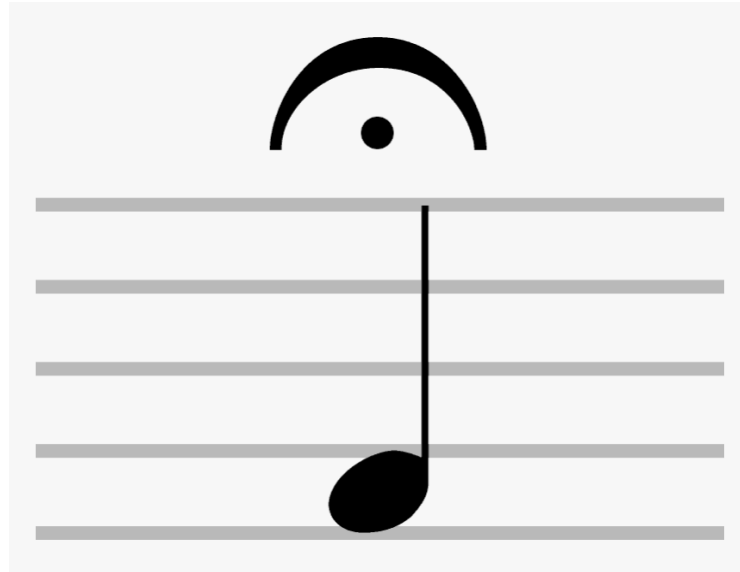

Play the note and keep holding it on for half as long again.

Key signature

Time signature

Pause on the note

Copy out the Happy Birthday music (remember to use five lines for a staff). Copy the notes exactly the same. TRY TO SPACE IT OUT BECAUSE IT WILL MAKE YOUR NEXT TASK EASIER!

Then 'show what you know' by labelling the music.

E.g. the name of the notes, note values, key signature, time signature, pause, bar lines, dotted notes, Italian etc.
