I can summarise my report in a conclusion.

Up -level these words:

It is fun for kids.

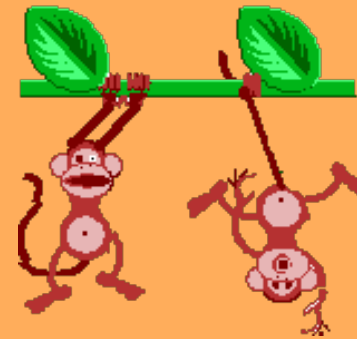

They provide lots of stuff.

Zoos have good points.

What should go into a conclusion?

What is your opinion of zoos...?

Why?

In conclusion it is clear that there are many viewpoints surrounding the issue of zoos. Some people consider that they help protect orphaned animals and also reduce the chance of endangered species becoming extinct. However, other people feel that they often cause unnecessary stress on animals due to poor spaces being provided. I have presented both sides of the argument, my personal opinion is ...
