Can you use different sources of information to help you find out how a Tudor doctor might have 'cured' each of the illnesses below?

| Illness       | Cure |
|---------------|------|
| Headache      |      |
| Cough         |      |
| Gout          |      |
| Rheumatism    |      |
| The plague    |      |
| Smallpox      |      |
| Toothache     |      |
| Upset stomach |      |
