

The Movie Marvels

Friday 17th July 2020

Dear Class 4,

Thank you for all your hard work over this whole entire year and particularly over the last few months when you have had to take responsibility for a lot of your own learning and you should be really proud of what you have managed to do.

It is officially the Summer Holidays so there is no more home learning and you can look forward to a relaxing break before returning to school in September. If you feel like doing a little work to keep your skills and knowledge ticking over throughout the holidays ready for Year 5, here are a few things I suggest:

- Keep practicing your **Times Tables** - Use Hit the Button, Multiplication Check on Purple Mash and a range of online games and songs can help you do this in a fun way.
- Keep reading and enjoying using your **Reading Journal** to help record your reading and the books you have enjoyed.
- **Read out loud** to family and friends and really try to improve your fluency and expression.
- Continue to explore a range of Art in your **Art Journal**.
- Work though any **unfinished Home Learning tasks** which you desperately wanted to do but just didn't have time (not sure there will be many doing this one!)
- Have a go at some of the activities and tasks in the **Year 4 Booklets** on our Webpage which are full of excellent ways to recap and revise things covered this year ready to start learning again in Year 5.
- Have fun working through some of the **Summer Holiday Challenges** I have put together for the whole school.

I do not need to see any of your work and your ClassDojo will be getting transferred over to Miss Knox ready for your time in Year 5 so please don't post onto that. Choosing to do any of the above activities is now completely yours and your parent's choice as it is not official Home Learning just a few suggestions to stop you getting bored and to keep your mind working!

The most important thing to do is to enjoy your Summer, have fun with your family and friends and be ready and raring for school in September.

Thank you, once again, for being an amazing Year 4 Class, you are all truly awesome and will make a magnificent Year 5.

Stay Safe, Stay Well, Stay Kind,

Miss Wilson x
