

Part 2

A) List or circle all of the non-unit fractions below.

$$\frac{3}{5}$$

$$\frac{8}{8}$$

$$\frac{1}{7}$$

$$\frac{2}{3}$$

Two
sixths

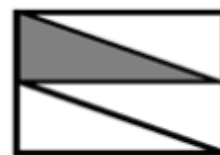

$$\frac{1}{4}$$

$$\frac{5}{12}$$

B) This flag has 1 section shaded in grey.

What fraction of the flag isn't shaded in?

Is the unshaded fraction of the flag a unit or non-unit fraction?

C) A Year 2 child drew a circle and split it into 12 equal parts. She shaded 3 parts blue and 2 parts green. What fraction of the flag did she not colour in? Describe this fraction.
