

Dear Class 4 (soon to be Class 5!),

What a strange term it has been for all of us! I was so looking forward to getting to know all of you in transition week but unfortunately, it hasn't been possible this year. However, because I am so keen to get to know you all, I thought I would write you a letter to tell you a little bit about me. I also thought that I could set you a couple of tasks to do to help me get to know you a little better too!

A little bit about me...

I have been a teacher for 12 years. Before coming to Gawber Primary, I worked in three other schools and I was an Assistant Head in one of these schools and a Deputy Head in another. Alongside the other year groups, I have taught Year 5 in these schools and it is my favourite year group to teach!

Gawber Primary School is a very special school to me as it is the school that I went to when I was a child. In fact, I was taught by the best teacher in the world... Mrs Bradshaw! It was actually Mrs Bradshaw who inspired me to become a teacher in the first place. Gawber Primary School was always such a happy, caring place to be and I love being part of the Gawber family!

I enjoy teaching all subjects but I am particularly passionate about reading. I just love a good story! I enjoy reading lots of different types of books and I am looking forward to sharing some exciting tales together. What books do you enjoy? Do you have a favourite?

As well as reading, in my spare time I like to exercise. I enjoy running, swimming and going to the gym. I also like to spend time with my pet rabbit, Penny. She loves to come into school to visit so hopefully you will have the opportunity to meet her next year.

Over to you...

Now that you know a little bit about me, I would like to know a little bit about you!

Please can you reply to my letter, telling me all the things that you think would be useful for me to know about you? What do you like to do? What is your favourite subject? What was your favourite thing about Class 4? Maybe you could tell me about your family and your pets? You may have some questions for me too so don't forget to add those as well.

Miss Wilson has spoken so highly of you so I am really excited to get to know you all. I just know that we are going to have a really fun year together. Have a wonderful summer holiday and I will look forward to reading your letters.

Love

Miss Knox
