

The Pawsome Gang

Inference Iggy helps us look for clues in the text to tell us how someone is feeling, why somebody did something or why something is happening.

W.A.L.T: To use inference skills to
answer questions.

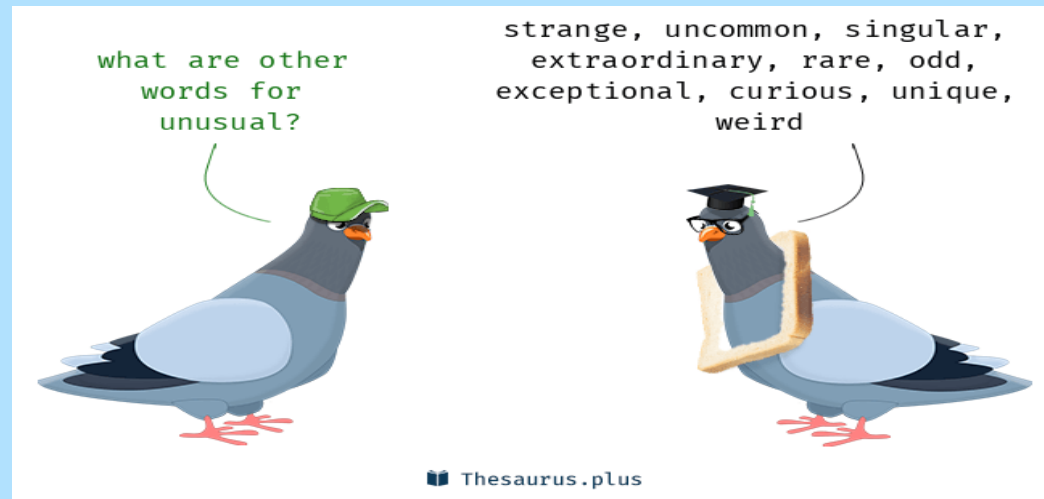

Success criteria: I think carefully about the questions because I have to work out the answer.

I can hunt for clues in the text to help me answer the question.

I know that the clues might help me work out how someone is feeling, why somebody did something or why something is happening.
