

Hello Class 2!

Well done for all your hard work yesterday and your understanding regarding Mrs Malpass having to miss the online English session. Mrs Malpass and I talked about how you are doing with your writing and so we've rearranged the lessons. What was planned for Wednesday will now be taught on Friday and today we will have an extra session.

Today is a little different as it is World Book Day. We will do all of our learning in the morning and there will be no live lessons in the afternoon so that you can enjoy doing the activities with your child and when it suits you.

*** 9.10 online English Lesson and related activities**

This will be a short session and will be about researching an endangered animal. On the website is a choice of fact sheets but you can also work on the internet to research the three questions.

***10.05AM online Maths Lesson and related activities:**

We are continuing to learn about pictograms but this time we are looking at drawing pictograms when the symbol represents 2,5 or 10. Please pay careful attention to the key on the pictogram, this will tell you how many items the symbol is worth.

PM- World Book Day activities

There are a range of activities on the website to enjoy World Book Day together. These include the masked reader challenge and the Gawber book trail. We'll be doing these in class so we hope you can join in too. I've also put on our class page some additional activities, such as an emoji quiz and several reading challenges to complete.

<https://www.worldbookday.com/share-a-story-corner/> This site has stories on that you can read along with as well as downloadable activities to go with the story.

Just have fun and enjoy some quality time together. I'd love to see any of the fun activities that you have done.

***Reading book-time to read type and colour of book shown.**

Thank you everyone for all your hard work.

Please message me on dojos if you have any questions.
