

Hello Class 2!

Well done for all your hard work yesterday

I handed out lots and lots of dojos!

Please find below an overview of today and all the online learning is exactly the same as the learning done in class.

* 9.10 Computing- Using pictograms

Unfortunately, I can't find any way of sharing the presentation that we will use in Purple Mash with you at home so your session will be slightly different. The children in school will see a presentation on the different kinds of houses, such as semi-detached, flats, bungalows etc. and how many rooms are in their house. They are then going to use this information which is on the worksheet to enter the information into the **2count application in Purple Mash**. This can be found in the maths activities. I think the best way will be for you to just experiment with using the programme to create a pictogram and the types of information we can find out from a pictogram and the kind of information we can't find out.

The children should all save their work in their online work folder by clicking on the Save button and entering a name for their piece before clicking Save. They can share their work as before.

<https://www.purplemash.com/sch/gawber>

*10.05AM online Maths and related activities

<http://toytheater.com/fishing/> Another activity for extra practice later if you want.

*12.45 pm online English and related activities

Today we are writing advice in the way of commands for the characters we have met on the front cover of our book.

*1.45pm- Online taught comprehension for some children

The Star

*2.45pm- Story time for those who want to join in. I've got a really nice story for today's session so I hope you can make it.

*Please test your child's spellings and let me know how they get on.

*Reading book-time to read type and colour of book shown.

Please message me on dojos if you have any questions.
