

Hello Class 2!

Well done for all your hard work yesterday

Please find below an overview of today and all the online learning is exactly the same as the learning done in class.

* 9.10 Geography: Learning all about settlements. When everyone returns on the 8th March we will be looking at map making and our locality. To prepare for this we are going to learn about the different types of settlements using the Oak Academy learning.

<https://classroom.thenational.academy/lessons/what-is-a-settlement-74t3ed>

Please watch the second lesson- What is a settlement? No resources are needed other than a pencil and some paper to write down answers to the questions posed in the session.

*10.05AM online Maths Lesson and related activities

We are continuing to learn about statistics and will focus on pictograms today. The first activity is to create pictograms using the information about musical instruments. This is then followed by another activity creating pictograms.

http://www.softschools.com/math/data_analysis/pictograph/games

The above activity will give some extra practise of interpreting pictograms.

*12.45 PM online English Lesson and related activity

Today's activity is to create a fact file for an extinct animal. You can use the fact sheets provided for information or do your own research.

*1.45PM online Comprehension session for some children

The Star- Today we will just be looking at the text. We will answer the questions tomorrow.

*Reading book-time to read type and colour of book shown.

Thank you everyone for all your hard work.

Please message me on dojos if you have any questions.
