

Looking Forward

I'm sure like me you are looking forward to everything getting back to normal. I'm sure you miss seeing your family and friends, visiting all the places you enjoying going to and taking part in your interests outside of school such as dancing, swimming and football.

Your task

Your task this week is to create a 'Wish Jar'.

You need to decorate an empty/clean jar however you like. You could use glitter, stickers, pompoms, feathers, ribbons etc.

Then using the star templates, cut out some stars and write something that you would like to do on each one when we can get back to normal.

For example: Go to my friend's house to play.

Go swimming.

Have a party with my friends.

Go back to school.

Kiss and cuddle my grandma and grandad.

You can keep adding to the jar whenever you think of something else you'd like to do. You could even make one for your brother or sister or even your mum and dad!

When everything returns to normal, you have can take out your wishes and do all the things you have looked forward to doing!

Please post a photograph of your jars on dojos and tell me about some of the things you are looking forward to doing.

Have fun!
