

# Divide by 5 puzzle

Cut out the picture tiles.

Stick the tiles on the grid below to match the division to its answer to reveal a picture.

The first one has been completed for you.

|                                                                                               |             |             |
|-----------------------------------------------------------------------------------------------|-------------|-------------|
| <b>2</b><br> | $20 \div 5$ | $15 \div 5$ |
| $5 \div 5$                                                                                    | $35 \div 5$ | $60 \div 5$ |
| $40 \div 5$                                                                                   | $55 \div 5$ | $30 \div 5$ |
| $25 \div 5$                                                                                   | $45 \div 5$ | $0 \div 5$  |
