

Hello Class 2!

Well done for all your hard work yesterday. Your African masks were amazing and you wrote some lovely descriptive paragraphs for Lila and the Secret of the Rain.

Please note, today's sessions are different as it is our first Wellbeing Wednesday. On Wednesdays from now on, the 10.05am session will alternate between maths and English so we can use the afternoon session at 12.45pm for Wellbeing. This means on Wednesdays from now on your child will cover Maths or English, not both as they have previously done. We will also leave the rest of the afternoon session for wellbeing so there will be no comprehension activities on Wednesday's from now on.

All our children's wellbeing is our priority and this is why we have made the necessary changes to our timetable. I 'm sure the children will enjoy our new session and it will be something to look forward to each week.

Please find below an overview of today and all the online learning is exactly the same as the learning done in class.

* 9.10 Wellbeing Activity-Keeping in touch

Write a letter to a friend from school you are missing (either at home or school).

Guidance and a template is provided on the website.

*10.05AM online English and related activities

12.45 PM online Wellbeing session and related activities to be discussed during the session.

Thank you everyone for all your hard work.

Please message me on dojos if you have any questions.
