

Hello Class 2!

Well done for all your hard work yesterday

I handed out lots and lots of dojos!

Please find below an overview of today and all the online learning is exactly the same as the learning done in class.

* 9.10 Computing- Piet Mondrian

Use the slides. Can the children work out the template to use for this lesson? Open the Lines template.

This template will only allow drawing in straight lines or filling areas. Show the children how to select a black colour and how to vary the thickness of the line. Show them how to fill an area using the paint pot.

After some time for experimentation, encourage each child to create their own picture in the style of Mondrian.

The children should all save their work in their online work folder by clicking on the Save button and entering a name for their piece before clicking Save. They can share their work as before.

<https://www.purplemash.com/sch/gawber>

*10.05AM online Big Bird Watch

This weekend is the Big Birdwatch so I thought it would be an ideal opportunity to use our observation and maths skills to record the different birds we see in an hour. If you are unable to carry out the activity at home over the weekend, then this link takes you to online live feed of a bird table.

<https://www.youtube.com/watch?v=z2YXRazll4Y&feature=youtu.be>

Happy bird spotting!

12.45 PM online English Lesson and related activity

*1.45PM online Comprehension session for some children

Lilly and the Tooth Fairy.

*Reading book-time to read type and colour of book shown.

Thank you everyone for all your hard work.

Please message me on dojos if you have any questions.
