

Hello Class 2!

Well done for all your hard work yesterday

Please find below an overview of today and all the online learning is exactly the same as the learning done in class.

* 9.10 Using a compass to follow instructions.

Watch the presentation and complete the activity which is to place the animal on the correct place on the map following the clues given. There are three sets of animals on the page but you only need one set.

An additional song to help with learning the compass points is:

https://www.youtube.com/watch?v=f2I81_BFb-s

*10.05AM online Maths Lesson and related activities

The final activity is to select a picture card that displays a set number of groups. They will write the following calculations to describe the groups:

$$\underline{\quad} \div \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

E.g. There are 12. 2 in each group = $12 \div 6 = 2$.

$6 \times 2 = 12$.

*Comprehension - Our Wonderful Blue Planet

12.45 PM online English Lesson and related activity

The activity is to find the time adverbials in the text and put them into the table.

*1.45PM online Comprehension session for some children

Lilly and the Tooth Fairy.

*Reading book-time to read type and colour of book shown.

Thank you everyone for all your hard work.

Please message me on dojos if you have any questions.
