

African Art

Today we will be:
**Exploring African colours,
shapes and patterns.**

**Have you
heard of a
continent called
Africa?
Where is it?
What do you know
about it?**

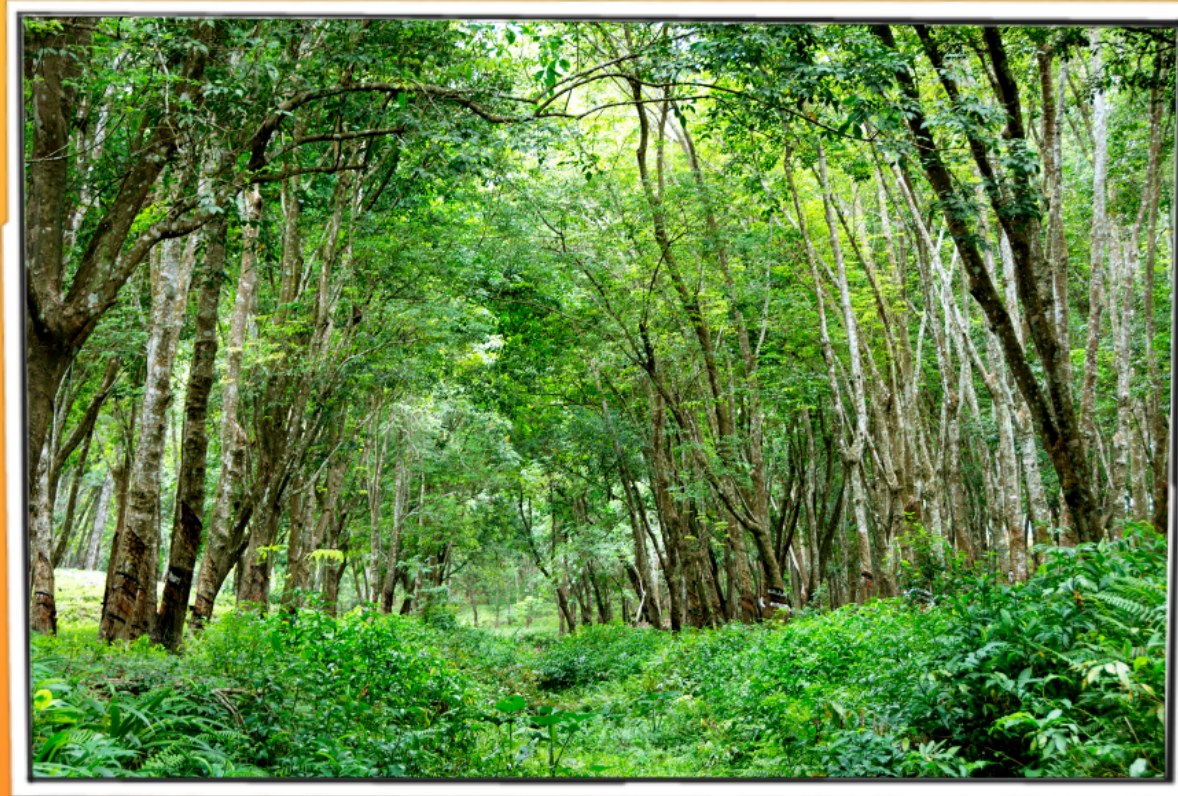

Can you see Africa on the world map? What kinds of things can you find there?

**Africa is the
second biggest
continent in the world
and there are 54
countries in
Africa.**

Africa is very large and has many different landscapes and environments.

The African scenery is very popular with artists and photographers around the world.
