W.A.L.T: I can write sentences
for a non chronological report.

W.I.L.F:I can include an adverb.

I can include a simile

I can include three adjectives in an
end position

Remember the video we watched
yesterday?

*We are going to focus on different shots/stills of the cheetah stalking.

*We are going to think of different adverbs to describe how the cheetah stalks it's prey.

What does it mean?

stalks: pursue or approach stealthily

How adverbs: add more detail/describe a verb. Usually end in the 'ly' suffix. e.g The girl read her book silently.

Quickly the dog ran to it's owner.
