

Hello Class 2!

Well done for all your hard work yesterday!

Yet again we have made some more changes to hopefully help things run a bit smoother.

We have reduced the amount of work daily to make it more manageable. There will no longer be a daily SPAG activity or a spelling/handwriting activity.

There will be a spelling focus on a Monday instead of a comprehension task.

All work will be posted in two places- all on the website and pieces that can be completed directly on dojos will be put on children's portfolios. We will try and put this on the evening before however, it is not always possible.
