

The number track game (2 players)

Each player has their own number track, and must start with a counter on number 1. Take it in turns to roll a dice (or pick a number card 1-6) and **count on** that many spaces. Whoever gets to number 15 first wins!

Play again, but this time start on 15 and **count back**. The first person to reach 1 is the winner!

Player 1

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15
---	---	---	---	---	---	---	---	---	----	----	----	----	----	----
