

Look at the scales.

What is the mass of the chick?

..... grams

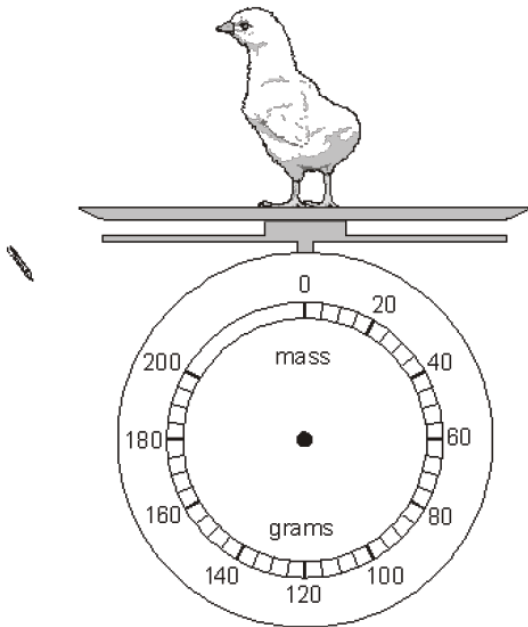

What is the mass of this parcel?

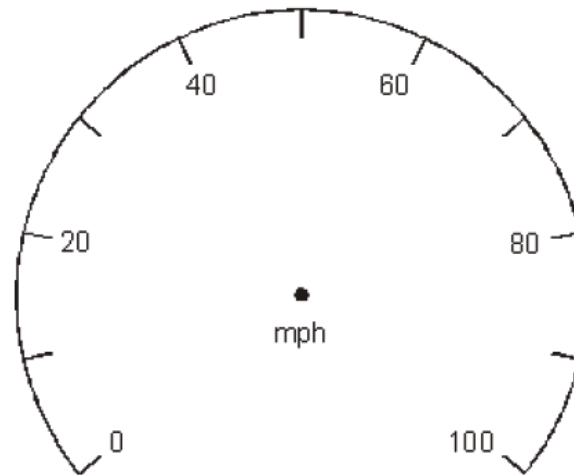

..... g

The diagram below shows the **same chick** on different scales.

Draw an arrow to show the mass of the chick.

Draw an arrow on the dial below to show a speed of **65 mph**.

A different parcel has a mass of **575g**

Show this on the scale by drawing an arrow.
