

Mary Anning

Why is she famous?

Over the course of her life she made many incredible discoveries. This made her famous among some of the most important scientists of the day. They would visit her for advice and to discuss scientific ideas about fossils. Today, Mary is remembered as one of the greatest fossil hunters to have ever lived.

Take two copies of the timeline template and fill in with key dates and events in Mary's life.

In the boxes on top of the timeline put the date and in the boxes underneath write a couple of sentences about each event.

If you can't print off the sheets, don't worry, draw the line and boxes in your books (landscape).
