LG: I can infer character's thoughts and feelings.

1. Why do you think that Summer told her mom about Auggie's face before she met him?
2. Why do you think, when Summer first introduced August, it took a second for the question to register?
3. How do you think Auggie felt when he first finds out about Summer's dad and why?
4. Why do you think Auggie suggests that people don't look the same if they return to earth after they have died?
5. What does Summer mean when she says that Auggie is 'such a good sport about himself' ?
