LG: I can infer character's thoughts and feelings.

1. Summer lies about being ill. Why?
2. Who else has lied about being ill? Why did they do that? What comparisons can you make?
3. Summer says Auggie 'acts weird' at lunch. In what way is he acting strangely?
4. Summer thinks that Auggie is being 'gross' on purpose. Why do you think he might be doing that?
5. Explain why you think that Summer becomes angry when Auggie accuses her of being friends with him because Mr Tushman has forced her to be.
6. What does Summer mean when she says 'my toes are flat'?
7. Why doesn't Summer stay mad with Auggie after their argument?
8. Why do you think that Auggie doesn't want Summer to tell anyone?
