

The Movie Marvels

Week Beginning 8-6-20

HOME LEARNING

Dear Class 4,

Well done for all your hard work and perseverance last week. I really do appreciate all the learning you are doing at home and hope you are being kind to your family when you all continue doing your best at this time.

Remember, there is absolutely no need to print off most of the worksheets if you are struggling, you can simply write down the answers in a book or on paper or print just the page you need. I am aware that some weeks (like this week) there is a lot of work to look through and I don't want the work to be a hindrance, it should be there to make your learning easier not harder! Any learning I offer should be viewed as a 'menu' to choose from with no pressure to complete everything. Remember to do whatever works best for you and your family.

Over the Next 2 weeks, we will be focussing on Roald Dahl. This week, a lot of the activities are based on a range of his books whereas next week we will focus more on George's Marvellous Medicine. This week again, please try to complete a Maths and a Writing and Reading Task each day and this week there's some more Science and Creative activities too.

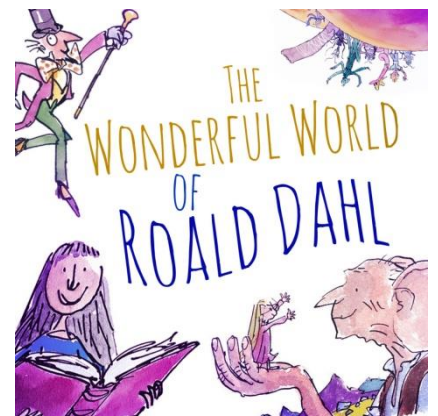

I always find that when you are enjoying your learning, you learn much better, so I hope you can find some of the activities I have put together for you FUN! I particularly think that designing and maybe creating (if you ask your parents nicely enough) your own chocolate bar, listening to the expressive reading of James and the Giant Peach (especially seeing Meryl Streep and Benedict Cumberbatch reading the parts of the Aunts!) and having a go at creating your own Revolting Rhyme would be a lot of fun and I might encourage Mercedes to have a go at them too so I don't miss out! I wonder what your favourite task will be?

Please don't hesitate to contact me with any questions and keep posting work on your Dojo portfolios, twitter or Purple Mash. I love seeing your work and awarding Dojos!

I can't wait to see where your learning takes you this week!

Stay Safe, Stay Well, Stay Kind ,

Miss Wilson

Maths

- This week we are continuing learning about Fractions. This week, once again, in the **Maths Tasks** pack, I have set links to BBC Bitesize and White Rose Maths on Fractions as they have videos and activities which should help explain the concepts well.
- I don't expect you to use both for each day's learning but you may find you prefer one to the other so I have put all links available for you.
- There are extra maths challenges and tasks in the **Maths Tasks** pack too if you want more activities to complete
- Great online games to help develop confidence and fluency with you fraction work can be found here: <https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals>
- I have also included some **Roald Dahl Maths Challenge Cards** if you feel you would like some extra Maths work!

Writing and Reading

- Please see our class webpage for **Roald Dahl Writing and Reading Tasks**
- There are many different Roald Dahl reading and writing activities to choose from, please try to complete at least one task each day.
- **PACK A** contains tasks based on The Witches, The BFG and Revolting Rhymes.
- **PACK B** contains tasks based on James and the Giant Peach, The Twits and Boy.
- I have also put in another **Reading News Four Stories** as a lot of you enjoyed completing these last week - this is an extra task please don't feel you have to do this.

Spellings

- Keep practicing the Year 3/4 statutory spellings
- Complete **Spelling Word Search 4**

Science

- Continue to work through the Plant Science lessons found at the Oak National Academy: <https://www.thenationalacademy/online-classroom/year-3/foundation#subjects>
- Or Continue to work through the **Science Tasks** set last week.

Art and D.T.

- Work through some of the **Roald Dahl Creative Tasks**
- Have a look at this website as there are many more creative ways to bring Roald Dahl to life using a variety of indoor activities: <https://www.roalddahl.com/things-to-do-indoors>
- Have your own idea for something creative linked to Roald Dahl? - Go for it!
