Title and Author	Front Cover	Area of Maths	Other topics covered	Brief overview and suggestions
FILTHY FRANNY AND THE 4 FAERY FLEAS Author: M.W. Penn Illustrator: Mike Linton		Number recognition	Story telling	Franny likes to swing from tree limbs, chase lizards and play in mud, but she doesn't like to take baths. When she wishes for a Faery Godmother to whisk her away to far off lands, the fates instead send her the much more appropriate Faery Fleas. Join Franny and fleas- Freddie, Frankie, Frieda and Flo- on a jolly journey through the digits.
ONE Author: Kathryn Otoshi Illustrator: Kathryn Otoshi		Number recognition	Colours Wellbeing - accepting differences	Blue is a quiet colour. Red's a hothead who likes to pick on Blue. Yellow, Orange, Green, and Purple don't like what they see, but what can they do? When no one speaks up, things get out of hand — until One comes along and shows all the colours how to stand up, stand together, and count. As budding young readers learn about numbers, counting, and primary and secondary colours, they also learn about accepting each other's differences and how it sometimes just takes one voice to make everyone count.
ONE THING Author: Lauren Child Illustrator: Lauren Child		Number recognition Counting	Families Everyday life	Charlie and Lola return in a brilliant picture book to introduce the non-scary nature of counting and sums to very young children. Perfectly funny and perfectly formed, this sees top negotiator Lola take on numbers in everyday life and bend them to her endearing and unique will.
PINK TIANA COOKIES FOR THREE Author: Maria Dismondy Illustrator: Cary Pillo		One more Number recognition Odd and Even Numbers	Friendships Sharing	Sami and Stella are best friends and neighbours. When Jasmine moves in across the street, a friendship triangle begins. The girls learn how to adjust and make room for one more.

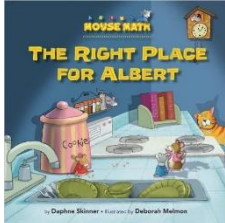

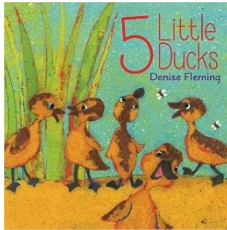

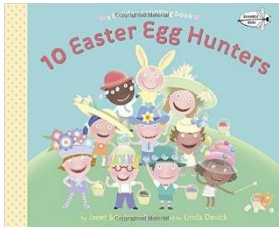

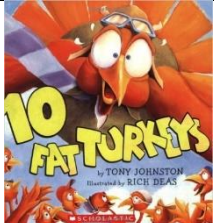

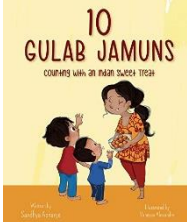

EYFS Reading book list for Maths

SIDNEY THE SILLY WHO ONLY EATS 6 Author: M.W. Penn Illustrator: Sarah Tomer		Number recognition	Comparisons Rhyme Feelings Sharing Compromises	A fairy-tale of numbers and comparison in rhyme. Young King Sidney will only eat 6 of anything, posing a problem for the talented palace chef. Chef Brolly from Brixes is frustrated when he can only make sixes and finally quits, leaving Sidney hungry and a bit sad. In the end, Sidney learns two important lessons: to divide almost anything into six portions and also to compromise.
THE TWINS TWO BY TWO Author: Catherine and Laurence Anholt Illustrator: Catherine and Laurence Anholt		Number Recognition Pairs	Noah's Ark Pairs Routines	When twins Minnie and Max are read a story about the pairs of animals in Noah's Ark, it gives them an idea for a lively bedtime game. On the stairs, they're tigers; in the bathroom, they splash like crocodiles. But when Dad tucks them up, they curl up like two little mice and fall fast asleep.
TWO Author: Kathryn Otoshi Illustrator: Kathryn Otoshi		Number recognition	Friendship Loss	Two is best friends with One. Whenever they'd get the chance, they'd dance! She'd sing and snap. He'd tappity-tap. What a pair they made! At the end of each day, they'd always say, "ONE, TWO, I'll count on you, 'til the end, we'll be best friends." Until Three jumps in between them . . . Suddenly One only wants to play with Three. "ONE, THREE, odds we'll be!" they chant. Two feels left out. But what can she do?
TWO IS FOR TWINS Author: Wendy Cheyette Lewison Illustrator: Hiroe Nakata		Number Recognition Subitising two	Pairs Everyday objects in pairs	"What makes two? All sorts of things. A bicycle's wheels. A bluebird's wings. And twins, as you can plainly see, Are just as two as two can be."
ABU ALI COUNTS HIS DONKEYS Author: Dorothy Van Woerkom Illustrator: Harry Horse		One-to-one correspondence Counting	Losing things Friendships	Abu Ali buys nine donkeys at the fair. But when he stops on the ride home, he can only count eight. Then he counts again and there are nine ... Can his friend Musa solve the mystery?

EYFS Reading book list for Maths

COUNT OFF, SQUEAK SCOUTS! Author: <u>Laura Driscoll</u> Illustrator: <u>Deborah Melmon</u>		One-to-one correspondence	Going on a trip	The Squeak Scouts are taking their very first field trip to the attic, and Albert is determined to bring home something special for his souvenir collection. Luckily, the attic is full of mysterious surprises!
CRASH! BOOM! Author: Robie H. Harris Illustrator: Chris Chatterton		One-to-one correspondence Size - tall Balance	Resilience	A lively introduction to essential maths concepts for very young readers. Elephant wants to build something tall. Something as tall as Elephant. But will it stay up? CRASH! BOOM! No, not this time... Hmm... Build it again? 1 block. 2 blocks? 4 blocks? It's still not as tall as Elephant. More blocks! Now will it stay up? Now will it be as tall as Elephant? Build, balance and count; question, estimate, measure; predict, crash, and build again with Elephant and a bucket full of blocks.
FIVE SILLY FISHERMEN Author: Roberta Edwards Illustrator: Sylvie Wickstrom		One-to-one correspondence	Water Water safety	Five fishermen go out in a boat and think that only four come back, until they realize the silly counting mistake they have made.
SEAWEED SOUP Author: Stuart J. Murphy Illustrator: Frank Remkiewicz		One-to-one correspondence	Food Feelings Being considerate	It's slimy. It's smelly. It's green and it's gooey. It's seaweed soup - and it's Turtle's favourite lunch! Turtle has made enough seaweed soup for everyone. But it looks awful and smells worse! Nobody wants to even taste it. How can they tell Turtle without hurting his feelings? As Turtle serves lunch to his reluctant guests, young readers can learn about matching sets (also called one-to-one correspondence) by keeping track of all the different bowls, cups, spoons, and napkins on the table.

THE RIGHT PLACE FOR ALBERT Author: Daphne Skinner Illustrator: Deborah Melmon		One-to-one correspondence	Relationships Visits	Today is the day - it's Albert's first trip to the People Kitchen! He and his big sister, Wanda, Wanda will hunt for all kinds of crumbs, treats, and goodies. But first, Albert has to find a place to hide from Groucho the cat!
5 LITTLE DUCKS Author: Denise Fleming Illustrator: Denise Fleming		Counting forwards to and backwards from 10/20	Days of the week Families Relationships	Featuring a flock of oh-so-adorable fuzzy ducklings, this delightfully fresh take on the classic Five Little Ducks nursery rhyme emphasizes numbers and the days of the week and these lucky ducklings are doted on by a loving Papa Duck as well as the traditional Mama. Young readers won't be able to resist counting and quacking along!
10 EASTER EGG HUNTERS Author: Janet Schulman Illustrator: Linda Davick		Counting forwards to and backwards from 10/20	Easter Traditions	The adorable kids from the New York Times bestseller 10 Trick-or-Treaters are back and they're counting their way to Easter! Can you help them find all of the eggs the Easter Bunny has hidden in time for the Easter Parade?
10 FAT TURKEYS Author: Tony Johnston Illustrator: Rich Deas		Counting forwards to and backwards from 10/20	Thanksgiving Different traditions and cultures	Gobble gobble up this board book for a Thanksgiving treat! Girls and boys will gobble up this hilarious counting story about ten goofy turkeys roller-skating on a fence, doing a noodle dance, and more!
10 GULAB JAMUNS Author: Sandhya Acharya Illustrator: Vanessa Alexandre		Counting forwards to and backwards from 10/20	Adventure stories India - culture Food	Join two adorable brothers in a fun-filled adventure and discover a tasty sweet from India! Idu (Ee-doo) and Adu (Aa-doo) are very excited. Guests are coming over for dinner and their Mamma has already cooked a lot. Next, she is cooking Gulab Jamuns, but Idu and Adu don't know what Gulab Jamuns are. Before long, they discover just how good these wonderful golden, sugary syrup-soaked balls are and how quickly they

EYFS Reading book list for Maths

				melt in their mouths. But Mamma has only made 10 Gulab Jamuns. Will they last until their guests come?
EMMA'S BIG COUNTING Author: JL Cornish Illustrator: n/a		Counting forwards to and backwards from 100 Estimating	Friendships	A story to develop counting, estimating, grouping and place value knowledge. Emma LOVES counting! When she goes over to Leo's house they decide to count his big collection of cars. But should they count each car one-by-one, or is there an easier way? Join Emma and Leo as they learn how to group big numbers to make it accurate and easy to count. Includes discussion questions and optional learning activities to help deepen understanding and further develop number sense.
PEG + CAT THE EID AL-ADHA ADVENTURE Author: Jennifer Oxley and Billy Aronson Illustrator: Jennifer Oxley and Billy Aronson		Comparing and Ordering Numbers; Fraction	Different cultures Religion Islam Sharing Balancing	It's Eid al-Adha, a very special holiday for Yasmina and Amir, who invite their friends Peg and Cat to check it out. After they all rock out with some singing, it's time to head to the celebration, where there's so much food waiting! Amir explains that an important part of celebrating Eid al-Adha is dividing the meat into three equal parts, one third to be shared with someone who has less. But with all three bowls of meatballs holding different amounts, they've got a BIG PROBLEM! Thanks to a balancing scale, a trip to a soup kitchen, and an unexpected visit to a housebound neighbour, Peg and Cat learn all about the concept of taking from where there's more and giving to where there's less. Even Cat discovers how awesome giving can be. Eid Mubarak!
THE PERFECT SPLIT Author: Lori Haskins Houran Illustrator: Deborah Melmon		Comparing and Ordering Numbers; Fraction Division	Sharing Winning and losing	Melty's has games! Pizza! Prizes! Albert and Leo promise to split everything evenly, from the food to the tickets to the prizes. But some things just can't be split. When it comes to one special prize--winner takes all!
EMMA'S COUNTING Author: JL Cornish Illustrator: n/a		Addition & Subtraction Counting forwards to and backwards from 10/20 Number Bonds	Everyday maths	Emma is a little girl who loves to count - in fact she sees numbers almost everywhere! She sees them in her food, in her drawings and even playing outside. She loves to challenge her mind by breaking numbers into lots of different parts.

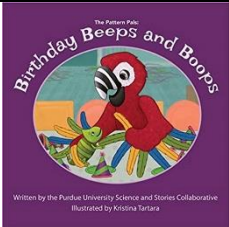

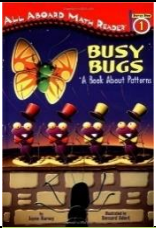

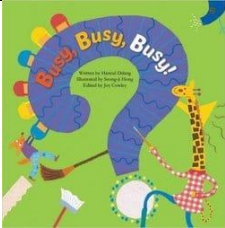

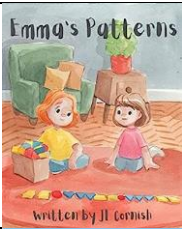

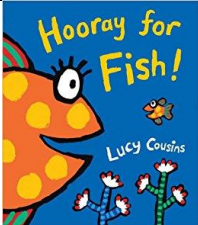

EYFS Reading book list for Maths

COCKATOOS Author: Quentin Blake Illustrator: Quentin Blake		Addition & Subtraction; Counting forwards to and backwards from 10/20	Animals Worries / feelings	The eccentric and absent-minded Professor Dupont is the proud but worried owner of ten cockatoos. The birds play tricks on the Professor and hide from him. He can't see them anywhere ... but maybe you can.
GRANDFATHER OWL Author: Eun-hee Na Illustrator: Sook-gyeong Kim		Addition & Subtraction	Animals Families Relationships	Grandfather Owl is delighted when his oak tree becomes home for some baby animals. He loves to count them while he watches them grow up.
HANDA'S SURPRISE Author: Eileen Browne Illustrator: Eileen Browne		Addition & Subtraction	Cultures Kenya Food Animals Stealing	This is the story of Handa, who's part of the Luo tribe in south-west Kenya. Handa decides to take seven pieces of delicious fruit to her friend, Akeyo, who lives in the neighbouring village. But as Akeyo wonders, I wonder what fruit Akeyo will like best?, a series of sneaky animals steal something from Handa's basket, which she's carrying on her head...When Handa reaches Akeyo, will she have anything left to offer her friend
RUNNING AN ERRAND Author: In-sook Kim Illustrator: Do-gyeong Kim		Addition & Subtraction	Animals Neighbours	Luke the piglet loves to run errands. His mum asks him to go to the shop to buy her an egg. His errand to the shop turns into an errand for several neighbours! It seems everybody needs eggs today. Luke needs to do some addition when he gets to the shop. Does he get the right number of eggs? Does everyone get the eggs they need?

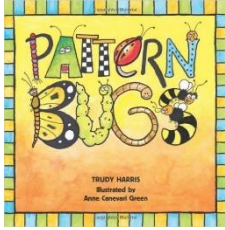

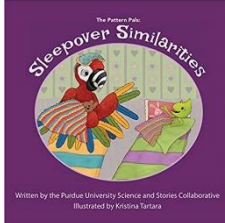

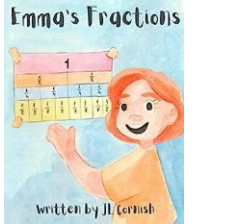

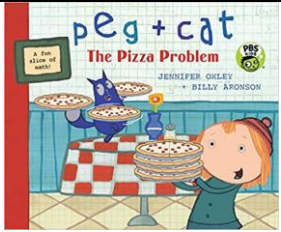

EYFS Reading book list for Maths

TEN MONKEY JAMBOREE Author: Dianne Ochiltree Illustrator: Anne-Sophie Lanquetin		Addition & Subtraction; Counting forwards to and backwards from 10/20	Animals Jungle	'Monkey fun takes more than one!' says the monkey in the jungle tree. Soon nine of his friends join him in a tail-tangling, tree-dangling jamboree! In this cheerful, whimsical romp, readers explore just how many combinations of monkeys will add up to ten. Accompanying the amusing and captivating illustrations, the rhythmic text twirls and spins as much as the monkeys, and makes a perfect read-aloud for the very young.
THE DEDUCTIVE DETECTIVE Author: Brian Rock Illustrator: Sherry Rogers		Subtraction	Stealing Animals	Someone stole a cake from the cake contest - who could it be? Twelve animal bakers are potential suspects but Detective Duck uses his deductive reasoning skills to -quack- the case. After all, the thief left hairs behind so the thief wasn't a bird. Follow along as he subtracts each suspect one at a time to reveal just who the culprit was. This clever story will have children of all ages giggling at the puns and the play on words.
WHILE MUMMY HEN WAS AWAY Author: Young So You Illustrator: Byeong Ho Han		Addition & Subtraction	Rhyme Farmyard animals Families Separation	This clever and humorous book encourages children to practise counting from 1 to 5. It also teaches them simple addition and subtraction skills. The rhyming story features familiar farmyard animals. It follows Mummy Hen's five little eggs as they are separated and reunited by a host of curious characters.
EMMA'S GROUPING Author: JL Cornish Illustrator: n/a		Multiplication; Division	Sharing Equal	Emma loves to learn about groups that she sees around her. She sees equal groups when sharing pancakes with her family, buying snacks at the shops and even when picking plants in her garden! Join Emma as she learns some flexible ways to find the total of equal groups.
BEEP, VROOM VROOM! Author: Stuart J. Murphy Illustrator: Chris Demarest		Patterns	Colours	The yellow cars beep! The red cars vroom! As Molly plays with her big brother's toy cars, readers will see and recognize patterns, an essential first step in learning to reason from the specific to the general. But can Molly put the cars back in the right order before her brother returns?

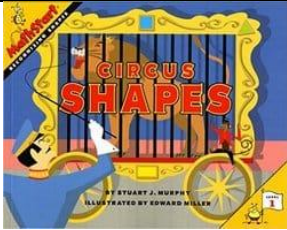

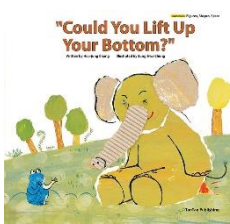

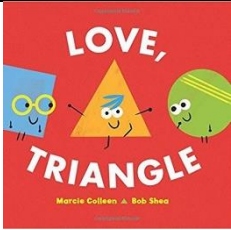

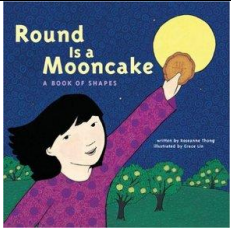

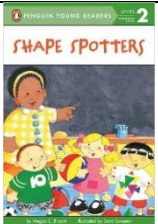

EYFS Reading book list for Maths

BIRTHDAY BEEPS AND BOOPS Author: The Purdue University Science and Stories Collaborative Illustrator: Kristina Tartara		Patterns	Birthdays Colours	Zoe the Parrot sets up a surprise party. Whose birthday is Zoe celebrating, anyway? Together, Zoe and Clara use the secret birthday girl's favourite colours to decorate the party in different patterns before the big reveal. This book enriches the familiar setting of birthday parties with beautiful colours and patterns.
BUSY BUGS Author: Jayne Harvey Illustrator: Bernard Adnet		Patterns	Bugs Rhyme	The silly bugs are having a party. There is so much to do! The simple rhyming text and the quirky and cute bug characters make learning about patterns easy and fun!
BUSY, BUSY, BUSY! Author: Haneul Ddang Illustrator: Seong-ji Hong		Patterns	Animals Nature	The animals in the forest are very busy. They are making beautiful repeating patterns with fruits and flowers, sounds, and colours. What are all these patterns for? Why are they all so busy? Are they getting ready for a party?
EMMA'S PATTERNS Author: JL Cornish Illustrator: n/a		Patterns	Everyday patterns	Emma loves to learn about different patterns that she can see around her. She sees patterns when making a necklace, walking down her street and when learning about the number 10 at school! Join Emma as she creates, continues and identifies different geometric and number patterns! Includes optional discussion questions and learning activities to further develop understanding.
HOORAY FOR FISH! Author: Lucy Cousins Illustrator: Lucy Cousins		Counting forwards to and backwards from 10/20; Patterns; Sorting & Classifying	Underwater	Paddle along with Little Fish on a mesmerizing underwater tour of friends spotty and stripy, happy and gripy, hairy and scary, even curly whirly and twisty twirly. From the creator of Maisy comes an eye-popping picture book that is sure to have little ones joining the chorus: Hooray for fish!

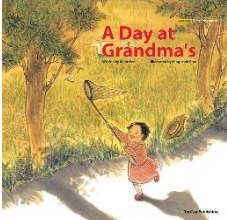

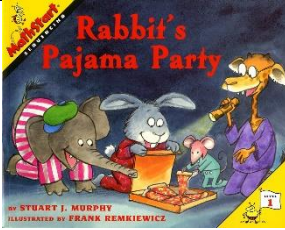

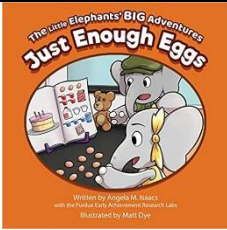

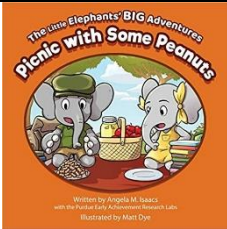

EYFS Reading book list for Maths

PATTERN BUGS Author: Trudy Harris Illustrator: Anne Canevari Green		Patterns	Art	Patterns galore! In this book for young children, the concept of patterns is delightfully introduced with both graphics and text. The text indicates the pattern to be discovered through repeated words, and the illustrations reinforce the pattern with many different cues such as the other objects in the scene and the borders around the first piece of art in each pattern.
SLEEPOVER SIMILARITIES Author: The Purdue University Science and Stories Collaborative Illustrator: Kristina Tartara		Patterns	Sleepovers Friendships	Zoe the Parrot goes to Clara the Chameleon's house for her first sleepover. They're both excited for this new adventure, but Zoe misses her own home. Fortunately, through the power of patterns and imagination, Clara reveals how similar their houses really are! It a hopeful story about friendship and is designed to help young children learn early patterning skills. It shows that things using different colours or shapes can still have the same pattern.
EMMA'S FRACTIONS Author: JL Cornish Illustrator: n/a		Fraction	Quantities Equal Sharing Families	Emma is learning how to break quantities into equal parts. She practises when she plays with her brother, at school and even at her birthday party! Join Emma as she learns how to use repeated halving to break the whole into halves, quarters and eighths. Includes discussion questions and optional learning activities to help deepen understanding with your child or students. Emma's Fractions is part of a series that includes Emma's Counting and Emma's BIG Counting.
PEG + CAT THE PIZZA PROBLEM Author: Jennifer Oxley and Billy Aronson Illustrator: Jennifer Oxley and Billy Aronson		Fraction	Equal	What do fractions have to do with pizza? It's lunchtime at Peg's Pizza Place! Peg and Cat are excited to take their first order -- from the Teens! -- only to learn that some customers want a whole pizza while one of them wants half a pie. How can Peg and Cat make half a pie when they don't know what half is? Peg is totally freaking out -- until Cat reminds her that when it comes to halves and wholes, it's all in how you slice it.

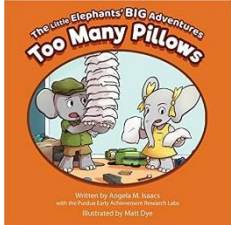

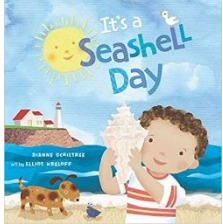

EYFS Reading book list for Maths

CIRCUS SHAPES Author: Stuart J. Murphy Illustrator: Edward Miller		2D shapes	Circus Animals	First the elephants form a circle, then the monkeys make a square. Circus shapes are everywhere! Can you find all the circles, squares, triangles and rectangles? Recognizing shapes is the beginning of geometric thinking.
COULD YOU LIFT UP YOUR BOTTOM? Author: Hee-jung Chang Illustrator: Sung-hwa Chung		2D shapes	Animals	A gust of wind has blown Frog's hat off of her head - and now it's stuck under Elephant's bottom. Elephant is hungry and won't budge until Frog feeds him all kinds of delicious foods with unusual shapes. Will a fresh bagel entice Elephant to lift up his bottom - or will Frog need to figure out a more creative way to retrieve her hat? Elementary math concepts that relate to differentiating, naming, and combining shapes expand this clever story about creative problem-solving.
LOVE, TRIANGLE Author: Marcie Colleen Illustrator: Bob Shea		2D shapes	Friendships	Since they were a dot and a speck, Circle and Square have been best friends.... Then someone new comes along: a cool, exciting Triangle. And three starts to feel like a crowd ... With their friendship bent out of shape, can they put it back together again?
ROUND IS A MOONCAKE: A BOOK OF SHAPES Author: Roseanne Thong Illustrator: Grace Lin		2D shapes	Asia Different cultures Rhyme	A little girl's urban neighbourhood becomes a discovery ground for all things round, square and rectangular in this lyrical picture book. Most items are Asian in origin, others universal: round rice bowls and a found pebble, square dim sum and the boxes that the pizzas come in, rectangular Chinese lace and a very special pencil case. Bright, whimsical art accompanies the narrative rhyme and a short glossary adds cultural significance to the objects featured in the book. Perfect for read-alouds or one-on-one sharing.
SHAPE SPOTTERS Author: Megan E. Bryant Illustrator: Sami Sweete		2D shapes	School	Ms. Carey's class is looking for shapes in their school. Rectangles, triangles, circles, and squares are just a few of the shapes that they find.

EYFS Reading book list for Maths

A DAY AT GRANDMA'S Author: Mi-ae Lee Illustrator: Yang-sook Choi		Time telling & Days of the week	Families Relationships Routines	Yujin is spending the day at her grandmother's house. She is busy, and there are many fun things to explore! But from dawn to dusk, she thinks about - and misses - her mama at home. The day seems long, until she's home ... and happy again in her mother's arms. Elementary concepts of time and routines that link to different times of the day expand this gentle story about the strong bonds that link parent and child.
RABBIT'S PAJAMA PARTY Author: <u>Stuart J. Murphy</u> Illustrator: <u>Frank Remkiewicz</u>		Time Telling & Days of the Week	Parties Animals	Rabbit throws the best sleep over parties! There's pizza, hot fudge sundaes, sleeping bags, scary stories and more. Can you remember what happened first? Then next? And after that? Sequencing is a key concept in math as well as story comprehension.
JUST ENOUGH EGGS Author: Angela M. Isaacs with the Purdue Early Achievement Research Labs Illustrator: Matt Dye		Measurement Comparison	Birthdays	It's Bear's birthday. But Lucy's cake falls flat and the party will be a flop unless they can bake a just-right cake in this book about everyday math and perseverance. The Little Elephants' Big Adventures series teaches early childhood math with fun adventures filled with mathematical words.
PICNIC WITH SOME PEANUTS Author: Angela M. Isaacs with the Purdue Early Achievement Research Labs Illustrator: Matt Dye		Measurement Comparison	Problem solving	Uh-oh, where's Bear? In this new math adventure story, Benjamin and Lucy must solve the mystery to save their picnic and their pal in this picture book about everyday math and problem-solving. The Little Elephants' Big Adventures series teaches early childhood math with fun adventures filled with mathematical words.

EYFS Reading book list for Maths

TOO MANY PILLOWS Author: Angela M. Isaacs with the Purdue Early Achievement Research Labs Illustrator: Matt Dye		Measurement Comparison	Friendships Teamwork	Benjamin is worried he'll forget something for their camping trip. He has so many things in his backpack that - CRASH - he falls down! They'll have to work together to lighten both his pack and his worries in this picture book about everyday math and facing your fears. The Little Elephants' Big Adventures series teaches early childhood math with fun adventures filled with mathematical words.
IT'S A SEASHELL DAY Author: Dianne Ochiltree Illustrator: Elliot Krelhoff		Counting forwards to and backwards from 10/20; Sorting & Classifying	Families Relationships	Sunny-as-a-summer-sky rhymes chronicle a mother and son sharing a day of sand digging, seashell collecting, and seashore exploring. Kids will learn about a variety of shells and count along with the boy as he totals up his collection, puts his shells away, and then drifts off into a well-earned bedtime. A spread of seashell facts caps off the story. This captivating, narrative nonfiction title featuring nature and counting is an ideal fit for home, preschool and kindergarten bookshelves. Pair it with the author's beloved It's a Firefly Night for a delightful day-to-night duo.

Please note, this is a library of suggested book ideas for EYFS. Our teachers have access to this resource and select books that are appropriate and suitable for their children.
