

## What people used to wear to go to the seaside

### *Dressing up, covering up*

Victorians liked to keep their bodies private. On the beach, men, women and children wore their normal clothes. Everything must have got very sandy!

👉 People are fully dressed on the beach.

14

Everyone wore their best clothes at the seaside. Holidays were a chance to show off fashionable clothes. If they could afford to, people bought new clothes for their holidays.

👉 These people on the promenade at Littlehampton, Sussex, are wearing suits and dresses.
