

Gawber Children

Curiosity

- we have enquiring minds

Respect

- we have increasing self-esteem. We respect ourselves, others and the environment

Independence

- we have the skills to succeed

Collaboration

- we can work well together

Aspiration

- we achieve high standards in all areas of the 21st century curriculum

Resilient

- we seek to build resilience through a focus on wellbeing for mind, body and spirit

Creativity

- we think creatively and meet new challenges with a smile

These are our curriculum key drivers. Our aim is to make sure that Gawber children become curious, respectful, creative and positive young people, who have high aspirations and who can work both independently and collaboratively.
