

Dear Class 5,

Can you believe that it is your last week as The Lucky Pennies? What an unusual school year we have had this year. It is not one that I will ever forget!

Your home learning for this week focusses on reflecting on your time in year 5. There is a memory booklet for you to work through at your own pace. I have also included a Maths and English booklet for you to have a go at.

Something else that you could do this week is to take a little look on our school twitter page. If you keep scrolling backwards, you'll see that there are SO many pictures on there that will remind you of all the wonderful things we got up to in school between September and March. There are pictures from Castleton and Hesley Wood. There are photographs from World Book Day and Eco Warrior Day. There

are videos of you singing to 'All About the Books' and performing your gymnastic routines and The Haka! There are so many memories on there and I would love to know what your favourite one is.

Class 5, you are a fantastic group of children. You are hardworking and kind. You are so much fun and I have loved getting to know all of you. Although I am really disappointed that I have not got to spend the whole year with you in the classroom, I have loved seeing how well you have coped learning from home and I am immensely proud of each of you.

You are going to be the most amazing year 6 class and I cannot wait to hear all about your achievements next year.

Thank you for a wonderful and completely unique year!

See you all in September.

Love from

Miss Knox
