

Animals and their Young

Cut out the animals and match them to their young.

Then learn the names for the young animals.

dog 	elephant calf 	calf 	sheep 	owl 
horse 	piglet 	chick 	cat 	bear 
tadpole 	duck 	cow 	lamb 	foal 
pig 	puppy 	kitten 	elephant 	duckling 
owlet 	bear cub 	frog 	chicken 	

Name the Young Animals

Can you find out the names for these young animals and can you draw them too or stick on a photograph?

In the last two boxes draw and name two different adult animals and their young.

Adult Animal		Young Animal	
Lion			
Snake			
Hedgehog			
Fish			
Giraffe			
Monkey
