

Hello Class 5,

I hope you have enjoyed the work on dinosaurs last week. I really loved seeing everything you uploaded to ClassDojo. Dehya's video of her singing the song 'I'm a giant T-Rex' really cheered me up and some of your information texts were really interesting to read. I have given out lots of dojos for some of the super work you have shared with me. Keep trying hard and I am sure I will be able to hand out more next week.

The work this week is all themed around something that is happening in the news at the moment so I would recommend that you read the first bit of reading material (the newspaper report) before you attempt to do any of the English or topic tasks. Because there is quite a bit to read this week, I have combined the reading and writing tasks into 'English tasks' as the tasks all link together!

Try to start the day with maths. Then, move onto an English task and finally complete the topic task. The English and topic tasks also link so if you do them out of order, you may find them trickier.

Here is how I recommend your week should look...

Monday - Maths, English task 1, Topic task 1

Tuesday - Maths, English task 2, Topic task 2

Wednesday - Maths, English task 3, Topic task 3

Thursday - Maths, English task 4, Topic task 4

Friday - Maths, English task 5, Topic task 5

I hope you have enjoyed the quizzes I have been putting on for you to do - just a little bit of fun and a nice way to keep us all connected!

I am missing you all and very proud of you for continuing to work hard. As you are working this week, I want you to ask yourself this question ...

If I had done this task in school, would it have looked the same as what I have produced at home?

Maybe your work looks better than it did at school and you know you are making great progress?
Maybe you need to try a little harder to make sure that your work is the same standard (or an even better standard) than it was when you were in school? You will know the answer to these questions.

Enjoy the tasks this week and I will look forward to seeing what you post on ClassDojo.

Miss you all. Stay safe.

Love Miss Knox
