Task 3 - Jub retrieves the Happy Endings

Jub's job is to make sure that all of the stories have happy endings. Your job is to add the middle part of the story (this usually includes a problem that needs solving) and the happy ending to each of these story starters.

Beginning	Middle	Ending
You time-travel to the year 3000 and...		
As you walk around town, you notice something strange...		
You invent something new and...		
After a bad day, you mistakenly create a cure for...		
While reading a book, you realise...		
On your way to school, something strange happens...		
You break the world record for...

Task 4 and 5

A soft rain began to spit gently on the dull smoky coals of the fire. The moon gaped down at the forest, agog with light. Jub dropped the Golden Pen as she ran, and ran and ran, but I found it in the woods and wrote this with it.

Read the final page and imagine that you are the person who found the pen.

Who are you?

How did you feel when you found the pen?

What did you write with it? A story? A poem?

What did you write about? It could be anything!

Imagine that you are writing with the pen now.
Write whatever you feel inspired to write
about...

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on the right side, suggesting it's resting on a surface.
