Take a look at Jane Ray's website. She is the illustrator of the book. I have attached some outlines of her work that you can colour, paint or collage.

Task 3- The illustrator

Here are a list of fairy tales. Choose one and create an illustration for the story in the style of Jane Ray. Pay close attention to her use of enlarged eyes, bold colours and defined shapes.

- The Tortoise and the Hare
- The Princess and the Pea
- Beauty and the Beast
- Little Red Hen
- Robin Hood
- Little Red Hen

Task 4 and 5- Book cover and blurb

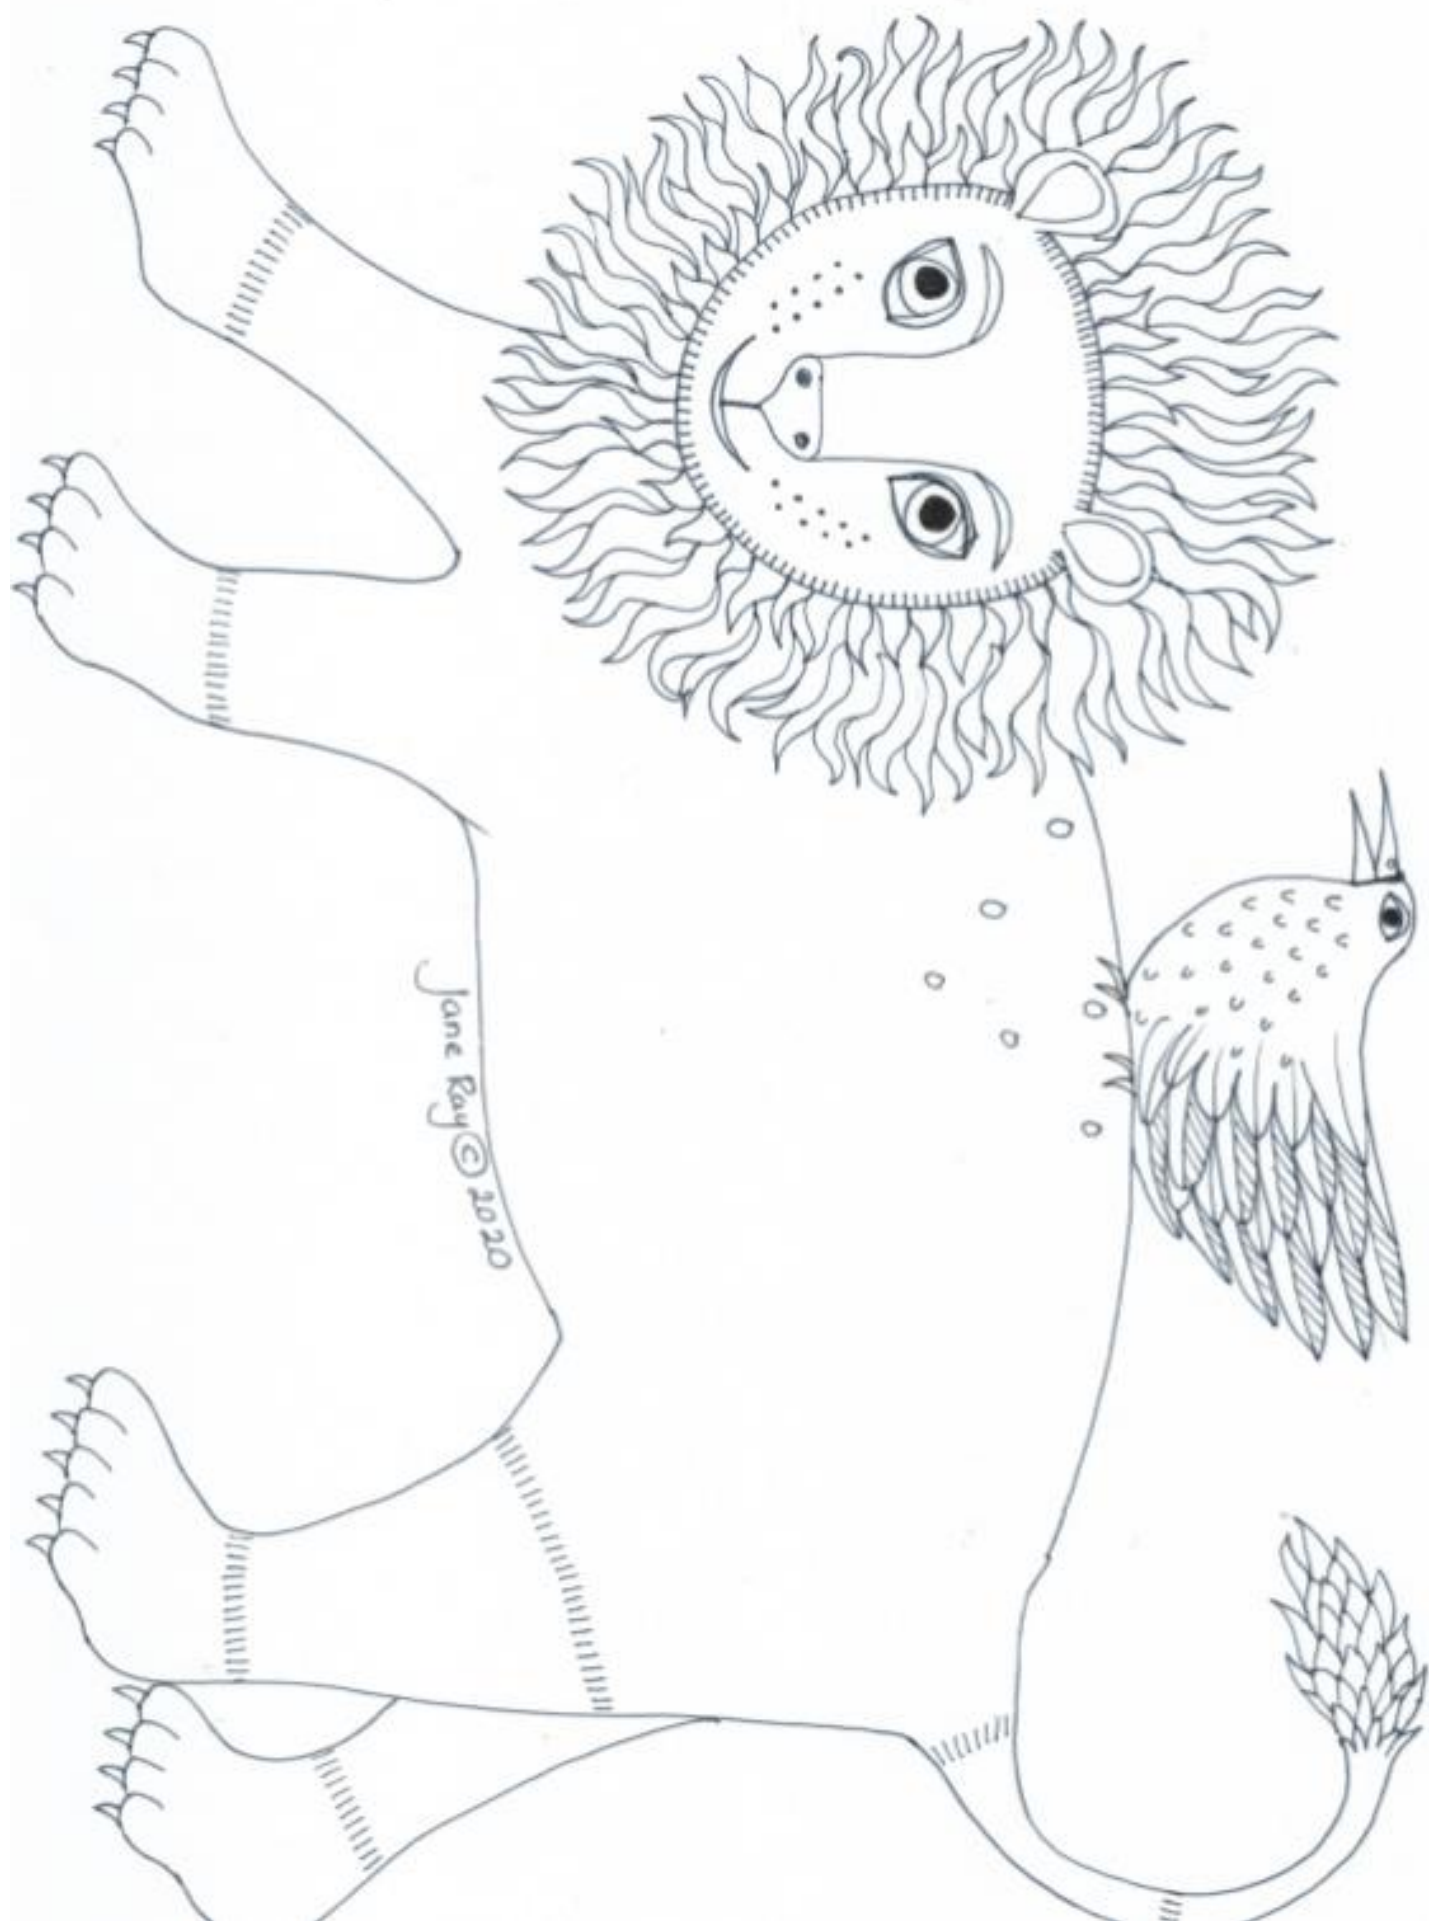

Your writing task is to imagine you have found the pen and to write something with it.

Whatever you have written will need a book cover and a blurb.

Can you design your **own book cover and blurb** for your writing?

You may even go one step further and make your own book!
