

May Half Term Activity Pack

Class 5

We love our school! Gawber Primary School is an amazing school that we all love (and miss) dearly, but what if you could design and build your very own brand new school?

Think about these questions...

- What would the classrooms look like?
- What would the school uniform be like?
- What would your school logo be?
- What would your school motto be?
- How would you design the playground?
- What might the school timetable be like?
- Can you write a school song?
- Can you draw a picture of what your school might look like? Can you make a model of the school?

Name of school: _____

Motto/Values: _____
