

Class 5,

There has been some amazing home learning happening again and I have been so impressed with the work that has been shared with me. Thank you so much to those of you who are working hard to keep me informed about all the amazing things you are getting up to at home. If you haven't already done so, please use your Class Dojo portfolio to show me what you have been getting up to. If you have any questions about learning, you can ask them via your portfolio and I can try my best to help you out.

Your tasks this week continue to be themed around our topic of **Ancient Greece** however, this week there is a focus on the **Olympic Games**. You might want to start by watching this video that gives you a bit of information about the history of the Olympic Games...

I wonder if any of you know where the Olympic games were set to be held this year? Could you find it out if you don't know? Due to the Covid-19 outbreak, the 2020 Olympic Games were postponed for the **first time ever in their history**. Can you find out when the opening ceremony will now be held?

I hope you have another wonderful week and enjoy the activities.

Stay safe everyone!

Love Miss Knox
