

Maths Tasks

1. Oak National Academy have created some fantastic lessons and resources. This week, I would like you to have a go at some of the maths activities they have provided.

<https://www.thenational.academy/online-classroom/year-5/maths#subjects>

 **Online Classroom** Subject Schedule Exit

Task 1	Lesson Objective: To identify and describe reflections Click to start lesson
Task 2	An Introduction To Translation Click to start lesson
Task 3	Describing Translations Click to start lesson
Task 4	Lesson Objective: To describe reflections using coordinates Click to start lesson
Task 5	Describing positions and coordinates Click to start lesson

2. **Maths puzzles** - For those of you who are enjoying challenging themselves in maths, here is an excellent website with lots of puzzles you can try <https://www.mathsisfun.com/puzzles/>

Extra for experts - Let's get cooking!

As kindness is our theme this week, who not cook or bake some treats and share them with your loved ones? Cooking and baking require you to follow a recipe and understand the measurements. I would love to see your creations! Here are a couple of websites you could use
