

Happy Easter Lucky Pennies!

What a strange Easter holiday it is for us this year. I hope that you manage to do some nice things with your families and that the Easter Bunny hops out of self-isolation to bring you some Easter eggs!

I have put together some fun activities that could keep you busy during the next two weeks. Some are maths based, some are writing, some are reading and some are just a bit of fun! Choose the activities that you would like to do ... you may complete them all, you may only complete a few.

As always, I will still be checking Twitter and the Dojo site to see what you have been getting up to. Keep me in the loop - I am missing you all!

Stay safe.

Look after your families.

Keep behaving yourselves.

Be kind.

Have a lovely Easter.

Love Miss Knox
