DANA'S FLOWER GARDEN

Read the following passage carefully, then answer the questions on the next page.

Dana loves flowers. Her favourites are daisies, tulips, and daffodils. Tulips and daffodils come up every spring, and daisies come up later in the summer. These plants are perennials; they come up year after year.

Dana loves the spring because she can go to the flower market to buy her annuals. The annuals only last one season, but they add a lot of colour to the garden.

Dana got up Saturday morning very early. She wanted to get to the market early so she would have time to plant everything when she got home. Off she went to Barton's Flower Market. She ran into some friends. "Hi, Dana," they called out to her. "Hi," said Dana with a big smile. "Let's look around together!" Dana and her friends saw pansies, geraniums, periwinkles, and petunias. "Oh, so many pretty flowers!" exclaimed Dana. "I love them all."

Dana decided to buy red and yellow pansies, blue periwinkles, and purple petunias. That will add a lot of colour to my garden, thought Dana. She said good-bye to her friends and went home. Dana happily began planting her new flowers around the tulips and daffodils. Dana was so happy. She loved her flower garden, and she knew she would enjoy it all summer long. Dana had a perfect day.

How to make... Hot Cross Buns

Ingredients

175g mixed dried fruit
Zest of 1 orange
1x7g sachet of fast action dried yeast
175g caster sugar
300ml semi-skimmed milk, warm
600g strong white bread flour
3tsp of mixed spice
0.5tsp of ground cinnamon
A grating of nutmeg
75g of unsalted butter, softened
1 tablespoon of melted butter
The yolk of one medium egg, mixed with 1tbsp of milk
50g plain flour

Equipment

Small bowl
Jug
Food processor
Large bowl
A clean surface
A lightly oiled bowl
Oiled clingfilm
Oven
Baking trays
Greaseproof paper
Wire rack
Small pan

What you do...

1. Mix together the dried fruit and orange zest in a bowl and then set it aside. Put the yeast in a jug with 15g of the caster sugar. Pour over 4 tablespoons of the warm milk and then leave it to foam for 5 minutes.
2. In a food processor, pulse the bread flour, 110g of the caster sugar, a pinch of salt, the mixed spice, cinnamon, nutmeg and softened butter until it resembles bread-crumbs. Tip into a large bowl and make a well in the centre. Pour in the yeast mixture and most of the remaining milk. Mix to a sticky dough.
3. Tip the mixture onto a floured surface and knead for 8-10 minutes until smooth and elastic. Add the dried fruits and zest mixture and continue kneading until combined. Put this into a lightly oiled bowl and cover with oiled clingfilm and leave in a warm place to rise for 1 hour until it has doubled in size.
4. Press the dough into a rectangular shape. Divide and shape into 16 balls of equal size. Place, almost touching, on baking trays lined with greaseproof paper. Cover them with a damp tea towel and leave in a warm place until they've doubled in size and joined together. This could take up to an hour.
5. Meanwhile, preheat the oven to 230°C, fan 210°C, gas mark 8. Gently brush the buns with the egg yolk and milk mixture.
6. Mix together the plain flour and melted butter with 4 tablespoons of water to form a paste. Spoon into a piping bag with a plain nozzle and pipe a cross onto the top of each bun. Bake in the oven for 5 minutes, then reduce the oven temperature to 190°C, fan 170°C, gas 5, and bake for a further 10-15 minutes until golden.
7. Remove from the oven and cool on a wire rack. Meanwhile, gently heat the remaining 50g of sugar with 2 tbsp of water to dissolve. Bring to the boil and then brush the mixture over the buns. Allow to cool completely before serving.

Emoji Easter Holiday Write-Up Sheet

Write about your Easter holiday. You can use emojis in your sentences by cutting and sticking them into your writing. Not all sentences need to have an emoji and you don't have to use them all.

For example: On the first day of the Easter holiday, I was feeling 🤔 so Mum suggested I go with my friends in the park. I arranged to meet up with them and we practised some new 🏇 tricks. When I returned home, I was really pleased to see that Mum had made a lasagne; it tasted 👍. Following the meal, we watched a funny film together as a family. The next day.....

The Easter Story

(Based on Matthew 26: 17-30)

The Last Supper Part I

During the feast of Unleavened Bread, or Passover, Jesus sent two of his disciples ahead with some instructions of how to prepare the Passover meal.

The meal was prepared and Jesus and his twelve disciples all sat around the table for the Last Supper. It was a dangerous time for Jesus as there were many people who wanted him killed because they were angry about his popularity. Because of this, Jesus' disciples were very quiet whilst eating.

During the meal, Jesus finally spoke and said, "I tell you the truth, one of you here will betray me." The disciples were all shocked and wondered who it could be.

Jesus carried on and said, "The one who dips their hand into this bowl with me will betray me. I will die, just as it is written, but the man who betrays me will feel sorry forever."

Then, with his head bowed down, Judas quietly asked, "It isn't me is it?"

To this, Jesus replied, "Yes, you are the one." This made Judas very ashamed and worried.

Jesus then thanked God for the bread and broke it apart to share with everyone. "Take this and eat it. This is my body which is given for you," he announced. He then held a cup of red wine and said, "This is my blood, which will be poured out for many people so their sins may be forgiven." The cup was passed around and everyone took a sip from it.

1. Were the disciples worried about Jesus' safety? Why do you think this?

2. Why did the disciples stay with Jesus for a meal if his life was in danger?

3. What could Judas do next?

4. Why did Jesus say the bread was his body and the wine was his blood?

5. Why did all of the disciples share the same cup to drink from?
