

Dear Clever Cats,

Congratulations, you have finished your first year of big school! It has been a bit of a strange end to the year, but you have worked hard with your home learning and made us all very proud. Well done!

We hope you do lots of amazing things over the summer. If you get bored, we have attached a summer activity booklet and some fun art and science challenges you can do at home. (Parents - please note that these activities are all completely voluntary and will not be marked.) Keep reading as much as you can and listening to stories.

We hope you all have a fantastic summer and we will look forward to seeing you in school in September. Stay safe, be kind and have fun!

Lots of love,

The FS2 Team

Have a **cool**
summer!
