

Topic- Superworm

Worm String Painting

You will need:

Lengths of string

Paint

Plain paper

Activity:

Pour some paint into a bowl or tray and drop the string into the paint.

Lift the string out of the paint and drop it onto the paper. You can also drag the string across the paper to create more lines and patterns.

Make your own worm hotel

Follow the attached link if you fancy making your very own wormery!

Have a lovely week, superheroes!
