

Topic

This week's topic challenge is to make your very own miniature garden. Things to think about before you start:

What will you build your garden in or on?

What would you like to have in your garden? It could have a vegetable patch, like Oliver's Grandpa's garden. It could have a pond, flowers, even a playground!

What materials will you use? Will you use natural materials or man-made objects?

How will you join parts together or make things stand up?

Who will live in your garden?

Have fun, we would love to see your finished creations!
