Construction

Can you think of a safe way that the gingerbread man could have crossed the river? Stop the sneaky fox from gobbling him up! You could build stepping stones, a bridge or even a plane! We would love to hear how you solved the problem and see pictures of your creations.

Art and Design

Use the salt dough recipe below (or any other modelling material) to make a model of one of the characters from The Gingerbread Man.

Which character will you make?

What will you use to measure the ingredients?

Will your model be flat or stand up by itself?

Have fun!
