### Music: Learn a new song!

Here is a fun song about Goldilocks. How loud can you 'GRRR' at the end?

### Science experiment: What made Baby Bear's porridge so delicious?

You will need:

- Porridge (cooked by a grown-up and cooled, ready to eat)
- A selection of ingredients such as jam, syrup, fruit, marmite, ketchup
- 1 spoon and bowl for each different ingredient

Why did Goldilocks like Baby Bear's porridge the best?

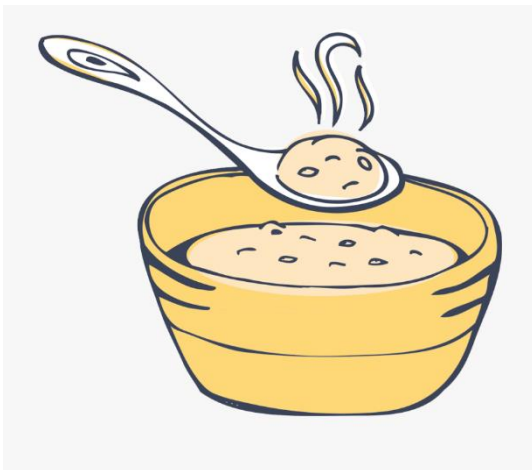

Can you use these ingredients to make some yummy porridge?

How does the porridge taste with each different ingredient?

Which ingredients were good for porridge and which were not so good?

Which ingredients made the best porridge?

Are there any other ingredients you would like to try out?

Let us know which porridge was 'just right'!
