It's picnic time!

Just like Red Riding Hood taking a basket of food to her Grandma, your task this week is to make a delicious picnic and find a good spot (at home!) to eat it.

Things to think about:

What food will you make? What ingredients will you need to use? What will you drink?

Who will help you make your food? You will need to listen and follow instructions carefully.

What else will you need to pack? How many cups and plates will you need?

Who will you invite to the picnic?

What will you carry your food in?

Where will you have the picnic?

How did it taste?

Have fun and don't talk to any wolves!
