

July 2020

Hi Class 3,

If we were at school, we would have completed some transition sessions so that I could get to know you and you could get to know me. Unfortunately, we will have to wait till September to see each other and get you settled into Year 4 but hopefully after reading this letter you will know a little more about Class 4 and what to expect in September.

I am Miss Wilson, and I will be your Year 4 teacher. Working alongside me is Mrs Dobson who will be our Teaching Assistant. Mrs Taylor will also be teaching you one afternoon each week, just like she did when you were in Year 3. In Class 4, we pride ourselves on being patient, kind, caring and fun and hope that you will enjoy your year with us. I know it is sad that you didn't get to spend the whole of Year 3 with Mrs Duck but she has been telling me all about you so that I am very much looking forward to welcoming you all into my class.

Please do not be anxious or worried about Year 4, we have all been off school for a very long time and I promise we will look after you, make you feel safe, teach you lots and have lots of fun together too. Don't be worried about the work or how hard something might be, you will never get in trouble for not being able to do something. All I ever ask is that you try your best, so if you do that, you will have nothing else to worry about. The first week back will be all about settling back into school, getting you used to the class and getting you ready for a great year of learning.

Our Class name is the 'The Movie Marvels' and we have lots of things around the classroom that are themed on movies and we love to do activities and tasks based on a range of movies too. There are lots of things to look forward to in Class 4 which I can explain fully in September but here's a sneak peak of some of the things we get up to in Year 4:

- We work extremely hard to earn team table points and the table with the most points at the end of each week gets a treat from the treat tin!
- We collect marbles for whole class good behaviour, attitude and work. When we have collected enough marbles to fill our marble jar, we get to enjoy 'Marble Day' where you choose the tasks and activities for an entire day!
- As well as Special Mentions, every week I choose a star of the week who gets to take home an 'Oscar' trophy and special book where you can take photos and write about all the things Oscar and you get up to for that week.
- We have great books to read, interesting topics to explore, exciting Art and D.T. projects to create, super Science experiments to do and lots of Times Tables to learn too!

Enjoy the Summer and I look forward to seeing you in September when you will officially be in Year 4 and a member of the 'The Movie Marvels'.

Have fun and keep safe,

Miss Wilson x
